

CIRCON 2024

BENGALURU

Date- 26th - 27th October 2024

Radisson Blu Atria Bengaluru

WELCOME MESSAGE

Welcome to CIRCON 2024!

We are excited to invite you to the Third Karnataka State Interventional Radiology Conference (CIRCON 2024) on October 26th and 27th, 2024, at Radisson Blu Atria, Bengaluru. This event will focus on Basics and Newer Interventions with Hands-on Workshops, offering an excellent platform for learning and networking.

Why Attend?

- Stay updated on the latest advancements in interventional radiology.
- Right from basis to engage in hands-on workshops to enhance your clinical skills.
- Network with peers and industry leaders.
- Earn CME credits for professional growth.

Our Commitment

- Deliver a high-quality educational experience with expert-led sessions and workshops.
- Provide a diverse learning environment covering foundational principles and the latest innovations.
- Ensure seamless event organization and support to enhance your overall experience.

Join us for this enriching experience—we look forward to seeing you at CIRCON 2024!

Best regards,

Team CIRCON 2024

07:30 - 08.15	Welcome and Registration
08.30 - 09.30	Neuro Interventions
08.30 - 08.42	Acute Stroke
08.43 - 08.55	Cerebral angiography - hardware & technique
08.56 - 09.08	Carotid stenting
09.09 - 09.21	Intracranial aneurysms - tips & tricks
09.22 - 09.30	Discussion & Changeover
09.30 - 10.30	Vascular & Aortic interventions
09.30 - 09.42	Varicose veins - overview
09.43 - 09.55	PVD - Aorto-iliac
09.56 - 10.08	PVD - SFA / BTK
10.09 - 10.21	Aortic aneurysms / dissections
10.22 - 10.30	Discussion & Changeover
10.30 - 10.45	Welcome Address (Dr Rohit / Dr Rajesh)
10.45 - 11:00	Coffe Break
11:00-12:00	Gastro-Intestinal Interventions
11:00- 11:12	Mesenteric Ischemia
11:13-11:25	Visceral artery aneurysms
11:26-11:38	BRTO / PARTO / CARTO
11:39-11:51	GI bleed embolisation
11.52 - 12.00	Discussion & Changeover
12:00-1:00	Hepato-Biliary Interventions
12:00- 12:12	Liver transplant Interventions
12:13-12:25	Tumour Ablations
12:26-12:38	HCC - Liver directed intra arterial therapies
12:39-12:51	Budd Chiari - overview, patient selection, interventions
12.52 - 01.00	Discussion & Changeover
01.00 - 02.00	LUNCH

AGENDA

Day 1: 26th October 2024, Saturday

02:00 – 03:00	How I do It (Advanced)
02:00 – 02:12	TIPS – advanced techniques
02:13 – 02:25	DEBIRI for CRLM
02:26 – 02:38	Lymphatic leaks – embolisation
02:39 – 02:51	Thyroid ablation and artery embolisation
02:52 – 03:00	Discussion & Changeover
03:00 – 04:00	Newer Devices & Latest techniques
03:00 – 03:12	Cryoablation
03:13 – 03:25	Cholangioscopy – stones, endo biliary RFA
03:26 – 03:38	INARI device – management of PE
03:39 – 03:51	Biodegradable stents
03:52 – 04:00	Discussion & Changeover
04:15 – 05:15	Newer Devices & Latest techniques
04:15 – 04:27	CLACS – varicose veins
04:28 – 04:40	Genicular artery embolisation
04:41 – 04:53	Foetal interventions
04:54 – 05:06	Prostate artery embolisation
05:07 – 05:15	Discussion & Changeover
05:15 – 06:15	Nephro, Urology & OBG Interventions
05:15 – 05:27	UAE – Fibroids & Adenomyosis
05:28 – 05:40	Prophylactic IIA balloons, PPH embolisation
05:41 – 05:53	Renal transplant interventions & AML
05:54 – 06:06	Transperineal prostate bx
06:07 – 06:15	Discussion & Close

AGENDA

Day 2: 27th October 2024, Saturday

08.30 - 10.15	Abstracts - oral presentations
10.15 - 10.30	Coffee break
10.30- 11.30	Dialysis access & Venous Interventions
	Fistulaplasty, thrombolysis
	Central vein occlusions - recanalisation
	Unusual permcaths - translumbar / IVC
	DVT / PE - thrombolysis
11.30 - 12.30	How I do It (basic)
	Embolisation
	Permcath - antegrade / retrograde
	Nephrostomy and ureteric stenting
	PTBD / Stenting
12.30 - 01.30	LUNCH
01.30 - 04.30	Hands on workshop
04.30 - 05.00	Prizes & Vote of thanks
Parallel session - Day 1	Press conference
